(courtesy of Joanna Hastings - Littleton, NH)

4 NY Strip Steaks
1/2 tsp salt
1/2 tsp pepper
1 cup Mc Lure's Grade A Dark Maple Syrup
4 slices, red onion finely chopped

To prepare steaks, combine salt, pepper, red onion and Mc Lure's Maple Syrup and put into a large plastic zip bag. Add steaks and marinate for the day, turning the bag every hour or so. Take steaks from the bag and grill, cooking to the desired level. Top each steak with a sprinkle of fresh ground pepper. Serve the steaks with your favorite grilled vegetable.
